Society for Artistic Research (SAR)

15/03/2010 Newsletter

On March 4 & 5 we held our very successful annual meeting at Berne University in the Arts (CH) with 80 participants, vivid discussions, elections and an introduction to the Research Catalogue. With the publication of our inaugural issue 0 our main task for year 1 has been achieved. We are now looking forward to improving the quality and sustainability of our work on all levels. Please help us artistically, intellectually, financially - become a member and get involved in the different activities!
